PREFACE

Praise and gratitude the author, prays to the Almighty God, so that the writer can finish the skripsi research entitled “The Influence of Leadership and Discipline on Employee Performance in Bank Mandiri Juanda”.

This research is conducted, to fulfill one of the requirements to conduct a further research based on the research background. This research is conducted, to see how leadership and discipline influences employee performance based on the research that the writer has done. Based on the research objective, the reason to conduct this research is to know 3 important things is to prove

Empirically the influence of leadership to employee performance, to prove empirically the influence of discipline to employee performance and to prove empirically the influence of leadership and discipline on employee performance.

I would also like to thank the people that have helped and supported me within making this research paper:

1. My research paper supervisor, Dr. Yuli Anwar, SE.M. Ak and dra. Hirayanti, M.M., M.Si. for giving me advice and support in writing this research paper. I also would like to apologize for the mistakes that I have made.
2. My mother, Filla van Greuningen, SE. For supporting me and to make me not give up in writing this research paper.
3. Mr. Dadang, S.E., one of the employees in Bank Mandiri for giving me information that I need to do this research.
4. My friends, Rima Rachmawati, Defanti Niza Fauziyah and Ka Desi for supporting me in finishing this Skripsi.

I hope that this proposal will give benefit to everyone. I will also accept advice and critiques from other parties, so that the writer can conduct this research properly.

Bogor, December 2021

Dewi Van Greuningen
